

Vanillas Cookies with Corn Starch Suitable for celiacs

Ingredients:

Eggs

2 units

Sugar

100 grs.

Corn starch

125 grs.

Sugar to sprinkle

necessary amount

Water to spray

necessary amount

Vanilla extract

½ teaspoon

Procedure

Beat the yolks with half of the sugar until it takes volume (letter point), beat the whites with the rest of the sugar until stiff and glossy (snow point), then join gently to the yolks preparation; add slowly the vanilla extract and the sifted corn starch.

Put this batter in the base of the BroCheff, sprinkle sugar and spray water.

Cover and microwave for 1 minute on high.

Use gluten-free ingredients.
