

Vanillas Cookies with Corn Starch Suitable for celiacs

ngredients:	
Eggs	
2 units	
Sugar	
00 grs.	
Corn starch	
25 grs.	
Sugar to sprinkle	
necessary amount	
Vater to spray	
necessary amount	
/anilla extract	
½ teaspoon	
Procedure	

Beat the yolks with half of the sugar until it takes volume (letter point), beat the whites with the rest of the sugar until stiff and glossy (snow point), then join gently to the yolks preparation; add slowly the vanilla extract and the sifted corn starch. Put this batter in the base of the BroCheff, sprinkle sugar and spray water. Cover and microwave for 1 minute on high. Use gluten-free ingredients.
