

Sponge cake for "mate" time

Ingredients:

Sponge cake powder

270gr. (1/2 packet)

Small eggs

2

Milk

110cm³

Procedure:

Beat the eggs and milk in the MicroCheff Pot. Add the Sponge cake powder and beat 3 minutes with electric beater or 5 minutes by hand. Put the lid on and microwave for 5 minutes on high. Then insert a wooden pick and see it comes out clean. If it is wet microwave for 2 more minutes. Then insert a wooden pick and see that it comes out clean
