

Chocolate Cake

Ingredients:

Chocolate bars

200 gr.

Eggs

2

Butter

120 gr.

Flour

12 tablespoons

Baking powder

1 teaspoon

Sugar

7 tablespoons

Procedure:

Melt the chocolate and butter in the MicroChef Pot in the microwave. Next add the rest of ingredients and mix until getting a homogeneous mixture. Put the lid on and microwave for 3 ½ minutes on high. Then insert a wooden pick and see it comes out clean, if not, microwave for another 1 minute on high. Finally unmold while hot.
